Outlined Goals For 2022

Increase training aggressiveness in house

Push 4 firefighters through NYS EMT class to increase EMS capabilities

Increase EMS response program to respond to all EMS calls in Galen/Tyre

Complete new medical director request to carry EPI-Pen and Narcan

Increase SCBA/FAST and Tech Rescue training frequency

Replace (2) valves on E49 with electronic MIV valves to prevent failing

Recruit 6 to 10 more Tyre residents to train, and assimilate into Clyde FD

Continue transparency and interagency cooperation within both counties

Enhance pre plan and tactical reviews with neighboring departments

Continue proactive responses to COVID-19 pandemic, assist the public when needed

****This is new format report, produced by internal firehouse program****

In Closing, On behalf of the Galen Clyde Fire District I would like to thank the Tyre Town Board for their cooperation over the 2021 year. We hope to continue our proactive and positive approach to providing fire service to the town. We will continue to be accessible and accountable for what we do each day, bearing in mind that we are all here to do serve our communities and save lives.

As always call me anytime with any questions or concerns. I look forward to a good positive year.

This report is respectfully submitted by:
Joseph Tavano JR
District Chief of Fire & Rescue

Joseph Tavano JR
M/S EMT, CFO, SFI, CSRT
