Robert Seem

This conference will now be recorded.

00:06 - 00:09

Robert Seem

The June 28, 2022 meeting of the entire planning board.

00:13 - 00:14

Robert Seem

Thank you all.

00:14 - 00:19

Robert Seem

Have, at least members have received the agenda for this evening and.

00:24 - 00:24

Robert Seem

Sparse, as it is.

00:25 - 00:27

Robert Seem

I think we do have some things to cover.

00:28 - 00:36

Robert Seem

Um, there's no public comment and you should have received a minute's from the May meeting.

00:37 - 00:42

Robert Seem

Are there any corrections for the main minute?

00:43 - 00:44

Robert Seem

Yes.

00:48 - 00:49

[speaker unknown]

Yes.

00:50 - 00:55

Robert Seem

Hearing none, would somebody care to move the minutes as presented?

00:57 - 00:59

[speaker unknown]

They'll Smith most.

01:00 - 01:01

Robert Seem

Ok, now.

01:01 - 01:01

Rob Barber

Moved.

01:03 - 01:03

[speaker unknown]

Yeah.

01:09 - 01:11

Ken Hauenstein

Can I was Donald second?

01:12 - 01:12

Robert Seem

Ok.

01:12 - 01:13

Robert Seem

Thank you again.

01:15 - 01:20

Robert Seem

Those in favor of the minutes as presented, say aye or raise your hand.

01:22 - 01:24

Rob Barber

All right, OK.

01:26 - 01:27

Robert Seem

Ok Any opposed?

01:30 - 01:32

Robert Seem

None, Oki approved.

01:36 - 01:38

Robert Seem

That brings us right to you, Ann.

01:40 - 01:46

Robert Seem

For your report, I didn't, I just received your report that you used at the as Dan board meeting.

01:46 - 01:49

Robert Seem

So maybe you could go through the report, I can share this.

01:49 - 01:50

Robert Seem

Certainly with Larry.

01:50 - 01:50

Robert Seem

Oh.

01:50 - 01:54

Ann Marie Heizmann

Yeah, yeah, I sent it to Larry Tau.

01:55 - 02:03

Ann Marie Heizmann

I actually started an actual report for you guys and, uh, something to do with a legend Beth needed the key to my office.

02:03 - 02:08

Ann Marie Heizmann

I want to say it was Wednesday, and hopefully, I'm gonna get it back tomorrow.

02:08 - 02:12

Ann Marie Heizmann

So I couldn't get to my computer where I had everything.

02:12 - 02:19

Ann Marie Heizmann

So at least online, on the e-mail, I had the one that I had e-mailed to Beth for the town board meeting.

02:19 - 02:20

Ann Marie Heizmann

So, I sent that to you.

02:20 - 02:22

Ann Marie Heizmann

Probably very similar.

02:23 - 02:32

Ann Marie Heizmann

So, the biggest thing we've had is we had a bunch of issues with illegal dog Kennels in the town.

02:33 - 02:37

Ann Marie Heizmann

The first one I think we talked about a little bit at the last meeting.

02:37 - 02:44

Ann Marie Heizmann

It's a West Tire road on the Amish farm where we used to have some issues with mobile homes being there.

02:45 - 02:48

Ann Marie Heizmann

Uncommitted, say, property.

02:48 - 02:58

Ann Marie Heizmann

We were told, Dalan had some issues because they were falsifying records for rabies, shots for dogs.

02:58 - 03:06

Ann Marie Heizmann

So she alerted me that she had been told that they were in the process of get like 20 some more dogs to start this cattle.

03:07 - 03:10

Ann Marie Heizmann

So she was very concerned about what was going to happen.

03:11 - 03:20

Ann Marie Heizmann

At this point, he has said, the gentleman knows, the farm has said that he is not in those dogs because of the issues.

03:20 - 03:25

Ann Marie Heizmann

However, no one really believes that, they think the jobs are in the barn.

03:26 - 03:39

Ann Marie Heizmann

I have driven by, when you are on Pauker Road and you look into the property, they have these little corrugated metal, things like you have for chickens, and I didn't see two puppies under one of them.

03:40 - 03:45

Ann Marie Heizmann

I'm not seeing the huge number of dogs that they're supposed to have, so on that one.

03:47 - 03:52

Ann Marie Heizmann

Unfortunately, we don't have proof that there aren't any legal panel, we're fairly sure they are.

03:52 - 03:55

Ann Marie Heizmann

So we're still sort of in limbo on what to do about.

03:56 - 04:05

Ann Marie Heizmann

While we were researching that one, we found out that up on Pucker Road, a fail, a farmer had built.

04:06 - 04:09

Ann Marie Heizmann

The building looks like a kennel for all I know it's a kennel.

04:11 - 04:19

Ann Marie Heizmann

When Bob still Codes Officer for County went there, 25 jobs through the window of the build it.

04:20 - 04:24

Ann Marie Heizmann

So, we have confirmation that, yes, the demo, we have fairly good confirmation app.

04:25 - 04:27

Ann Marie Heizmann

The building itself.

04:28 - 04:29

Ann Marie Heizmann

Was not permitted.

04:29 - 04:36

Ann Marie Heizmann

I checked with ..., make sure that it was a new building judge with codes, they didn't have a building permit for it.

04:37 - 04:48

Ann Marie Heizmann

The interesting thing is that this gentleman, every time he's done anything on this property, he has always gotten a permit with Cattle Bar.

04:50 - 04:51

Ann Marie Heizmann

L Bar.

04:51 - 04:53

Ann Marie Heizmann

A couple of times is always got the zone increment.

04:54 - 04:58

Ann Marie Heizmann

This time he didn't get any permits, so I think he knows what he's doing.

04:58 - 04:59

Ann Marie Heizmann

He's not supposed to me.

04:59 - 05:01

Ann Marie Heizmann

It was hoping we weren't going to notice.

05:01 - 05:08

Ann Marie Heizmann

We set, Don and I wrote a violation letter that was sent to him.

05:08 - 05:19

Ann Marie Heizmann

We have not received a response yet, so I think we probably think we have to give them a month, so I'm guessing until weeks down and I are going to have to figure out where we go with that.

05:20 - 05:31

Ann Marie Heizmann

The third category is actually, the only good story that's come out of this, there are Travers Road, they advertize their name as Bishop Panels.

05:32 - 05:37

Ann Marie Heizmann

At this point, they have two dogs that could have puppies but they're not even there yet.

05:37 - 05:40

Ann Marie Heizmann

They're at the point where they're establishing their pedigree.

05:40 - 05:47

Ann Marie Heizmann

They have their dogs off, go into, AKA see, shows getting the ribbons at all so they can prove that they have good quality dogs.

05:48 - 05:51

Ann Marie Heizmann

It seems very much like they're going to be breeders once they start.

05:51 - 05:56

Ann Marie Heizmann

They know that if they get dynein dogs, they have to go through the permit process.

05:56 - 05:57

Ann Marie Heizmann

They're OK with that.

05:57 - 06:05

Ann Marie Heizmann

They also have information from the Department of Ed, so they know if they get that big, that they'll have to get that permit from the Department of Ag.

06:05 - 06:11

Ann Marie Heizmann

Also, so the people on Travers Road, what we're going to be OK with it gets to that point.

06:11 - 06:13

Ann Marie Heizmann

They said of a cap.

06:13 - 06:13

Ann Marie Heizmann

Is.

06:13 - 06:15

Ann Marie Heizmann

They know what They have to deal with that.

06:15 - 06:18

Ann Marie Heizmann

They'd have to get that permit yearly and all that, so if they ever get that.

06:18 - 06:21

Ann Marie Heizmann

Well, that's where that one has stayed.

06:21 - 06:35

Ann Marie Heizmann

We also had, uh, couple of complex, I've actually had another complaints, I think we're at three total, Bob, I've gotten to know I got one today for the same property and 3 18.

06:36 - 06:48

Ann Marie Heizmann

Although one, there's all the signs up, we had what I had, know, it's a tough situation because the signs at all are political in nature.

06:48 - 06:51

Ann Marie Heizmann

First Amendment stuff falls in there.

06:51 - 06:54

Ann Marie Heizmann

They weren't very nice when I talked with them.

06:55 - 07:03

Ann Marie Heizmann

I am going to call them back, because I, the person who came to talk to me today, had said that what they noticed was that.

07:04 - 07:05

Ann Marie Heizmann

I guess I'll flash.

07:05 - 07:07

Ann Marie Heizmann

But they move it at night.

07:07 - 07:14

Ann Marie Heizmann

That can be distracting when you're driving, so I'm going to ask them if they can make the lights static or turn off the lights at night.

07:15 - 07:23

Ann Marie Heizmann

I didn't know when I went by yesterday, they have a lot more science than they did when I talked to them, which is not making me feel good about the situation.

07:24 - 07:28

Ann Marie Heizmann

Also, there was questions about the build, and they have the building that is permitted.

07:28 - 07:31

Ann Marie Heizmann

It's actually unfinished at this point.

07:31 - 07:33

Ann Marie Heizmann

It has no floor, no electricity.

07:33 - 07:40

Ann Marie Heizmann

They do only have their own truck there that they do work around, but they're not doing work for anybody else.

07:40 - 07:43

Ann Marie Heizmann

So, there is not any kind of repair business or anything going on.

07:44 - 07:45

Ann Marie Heizmann

So, yeah.

07:46 - 07:51

Ann Marie Heizmann

I'm still gonna sort of watch grandma yesterday to me.

07:52 - 07:58

Ann Marie Heizmann

You know, the first time I went by, there were a few like flags yesterday, at the top.

07:59 - 08:01

Ann Marie Heizmann

There's just a whole bunch more than the work.

08:01 - 08:05

Ann Marie Heizmann

It's grown, so I'm not sure.

08:06 - 08:08

Ann Marie Heizmann

I guess I know I was, sorry, questionnaire.

08:09 - 08:18

Ann Marie Heizmann

I was getting, though, top, political science, First Amendment, all, but it just seems to me, like, they're getting a lot more so I will try to talk with them again.

08:18 - 08:22

Ann Marie Heizmann

At least, get the What's the if they'll stop having the one sign with the lights on it.

08:23 - 08:26

Ann Marie Heizmann

And maybe ask them if they can tone it down a little.

08:26 - 08:35

Ann Marie Heizmann

You know, they might get, maybe take some down or something, because I was very shocked when I went by yesterday that there were so a lot more.

08:36 - 08:37

Ann Marie Heizmann

That's right.

08:37 - 08:39

Ann Marie Heizmann

Yes, because that everything we had, Bob.

08:41 - 08:41

Ann Marie Heizmann

I think that was the.

08:46 - 08:47

Deb

Question of all product offering.

08:58 - 09:00

Deb

Welcome, ...

09:00 - 09:00

Deb

Is that.

09:01 - 09:06

Ann Marie Heizmann

It's two sided, one side's political on one side is the help wanted sign.

09:07 - 09:07

Deb

Try.

09:07 - 09:08

Ann Marie Heizmann

That.

09:08 - 09:09

Ann Marie Heizmann

Yeah.

09:09 - 09:11

Ann Marie Heizmann

All sides of it so that's Yeah.

09:11 - 09:18

Ann Marie Heizmann

That's the one size fits all one side is not one side is for their home business.

09:19 - 09:19

Ann Marie Heizmann

Yeah.

09:22 - 09:26

Deb

What exactly do they do with all the veteran that.

09:27 - 09:31

Ann Marie Heizmann

They have they have a trucking business.

09:33 - 09:37

Ann Marie Heizmann

So the trucks they have they have for their truck in business.

09:38 - 09:39

Deb

The tanker truck.

09:43 - 09:49

Deb

Concern was pronounced I'm for 3 18.

09:50 - 09:53

Deb

Are then pulling into the input our businesses.

09:56 - 10:00

Ann Marie Heizmann

We don't have control over 3 18, that's the state, road issue.

10:02 - 10:04

Ann Marie Heizmann

Yeah, I know, because that's a bad I talked about.

10:04 - 10:11

Ann Marie Heizmann

The, 3 18 part is the state, I mean, we can call the state engineer and say that we're concerned.

10:12 - 10:14

Ann Marie Heizmann

We could do that, but I don't know.

10:14 - 10:14

Ann Marie Heizmann

I.

10:15 - 10:18

Deb

Don't want to, I don't want anything, but I'll find out one.

10:19 - 10:24

Deb

When I was traveling down, for quite awhile, wildlife backed off.

10:25 - 10:26

Ann Marie Heizmann

They're back in the driveway.

10:30 - 10:31

Ann Marie Heizmann

Drive a truck or rat.

10:31 - 10:35

Ann Marie Heizmann

Well, they take a lot of, those are big trucks to turn them around, so they can't like pull.

10:35 - 10:36

Deb

Out a turnaround.

10:40 - 10:41

Deb

I don't know.

10:44 - 10:44

Deb

Palmer issue.

10:49 - 10:49

Robert Seem

I've.

10:49 - 10:53

Ann Marie Heizmann

Heard the backend issue before the first person that's brought that up.

10:54 - 11:03

Ann Marie Heizmann

So, I mean, we could reach out to the State engineer, and see if there's anything they could suggest.

11:05 - 11:05

Robert Seem

Mike, do you?

11:08 - 11:22

Robert Seem

Have any ideas on situation like this, where it's a very small parking area, the trucks can't turnaround on-site, So they, when they arrive, they back in, which means.

11:22 - 11:22

Ann Marie Heizmann

They're.

11:22 - 11:30

Robert Seem

Basically blocking the traffic in both directions, as they tried to get this long trailer packed into their parking area.

11:31 - 11:33

Mike Simon

Now, go, where were.

11:33 - 11:33

Robert Seem

You?

11:36 - 11:41

Robert Seem

Wes, we're just east of, of the circle, OK?

11:41 - 11:42

Ann Marie Heizmann

Yep.

11:46 - 11:46

Robert Seem

Mmm.

11:46 - 11:46

Ann Marie Heizmann

Hmm.

11:46 - 11:46

Ann Marie Heizmann

Yeah.

11:50 - 11:57

Mike Simon

Ok, and this is, this is the private, is it a permitted use or the preexisting non conforming.

11:59 - 12:08

Ann Marie Heizmann

It's just awesome, know, they have their truck, they have a, you know, they have, there, are over the road truck that they back in and out of there.

12:11 - 12:15

Deb

I think I've seen, I've seen free tanker trucks on there.

12:16 - 12:19

Ann Marie Heizmann

There are many I've seen the one big truck.

12:20 - 12:22

Deb

Truck at the time.

12:24 - 12:28

Ann Marie Heizmann

Actually, the tanker trucks down the road further at the finger lakes agronomic Square.

12:32 - 12:33

Deb

Hi.

12:34 - 12:35

Ann Marie Heizmann

That I have not seen.

12:37 - 12:39

Deb

Couple of pictures for you.

12:39 - 12:40

Deb

If I go, Hi, I have no problem.

12:41 - 12:42

Ann Marie Heizmann

I'll look.

12:43 - 12:45

Ann Marie Heizmann

I'd seen like a regular large.

12:48 - 12:51

Deb

Concerned about the safety with them going in and out.

12:51 - 12:52

Deb

And now.

12:56 - 12:57

Deb

Have somebody African.

13:03 - 13:03

Robert Seem

It certainly.

13:04 - 13:04

Deb

Sounds.

13:04 - 13:05

Robert Seem

Like business.

13:08 - 13:15

Mike Simon

Yeah, the point of actually talking with.

13:18 - 13:24

Mike Simon

The D O T may be a good start zooming in on the aerial photo right now.

13:27 - 13:29

Mike Simon

So you said it's just east of ...

13:29 - 13:30

Mike Simon

Circle, OK?

13:31 - 13:33

Ann Marie Heizmann

Yeah, it's a sound.

13:34 - 13:35

Mike Simon

Ok.

13:35 - 13:38

Robert Seem

Second, yep or the third home.

13:39 - 13:47

Ann Marie Heizmann

That says, I'm trying to remember it's a green, double wide that sits back and then they put up a big build it that they can bad.

13:48 - 13:54

Ann Marie Heizmann

Finally, get started, let me put the truck in there, But right now, they don't have the current create in there, or the power to the bill with, yeah.

13:54 - 13:54

Mike Simon

Yeah.

13:54 - 13:56

Mike Simon

Yeah, I see it now at all.

13:57 - 13:58

Mike Simon

I don't understand.

13:58 - 14:04

Mike Simon

As you go back there, the gravel driveway kind of goes back behind.

14:05 - 14:08

Mike Simon

And they do have a pretty large area in the front.

14:10 - 14:14

Mike Simon

But it just, I'm curious as to why they don't?

14:15 - 14:21

Mike Simon

It almost looks like they could do some type of turning movement in there, but again, I am just looking at an aerial photo, so.

14:24 - 14:27

Robert Seem

Well, it's something to watch, I guess, at this point.

14:28 - 14:29

Ann Marie Heizmann

Well, let me guess.

14:30 - 14:30

Ann Marie Heizmann

Baby.

14:31 - 14:33

Ann Marie Heizmann

If you think there's enough space, or maybe there's not quite enough.

14:33 - 14:36

Ann Marie Heizmann

I mean, they've got a lot of space in front of the home.

14:36 - 14:37

Mike Simon

I guess.

14:37 - 14:45

Ann Marie Heizmann

For safety, it can be required that they, you know, make the area bigger so that they could pull in a turnaround in there to make it safer.

14:47 - 14:50

Ann Marie Heizmann

I know, I know, we don't.

14:53 - 14:54

Robert Seem

Residents.

14:57 - 14:58

Robert Seem

Two years ago, or so?

14:59 - 15:00

Robert Seem

Yeah.

15:01 - 15:07

Ann Marie Heizmann

Yeah, there are residents, because they just, yeah, the truck goes places, it just gets stored there.

15:07 - 15:12

Ann Marie Heizmann

And we do allow you to store your own 18 where you're proud, somebody.

15:12 - 15:13

Ann Marie Heizmann

That's an Arizona.

15:13 - 15:14

Ann Marie Heizmann

We allow that.

15:14 - 15:21

Ann Marie Heizmann

So, I have a tough, but maybe, if it's a safety issue, maybe the D O T can require that.

15:21 - 15:22

Ann Marie Heizmann

They make a bigger area, something turnaround.

15:26 - 15:26

Ann Marie Heizmann

Be another.

15:26 - 15:31

Ann Marie Heizmann

And 3, 18, maybe they're, maybe they might be able to, is on there.

15:31 - 15:33

Ann Marie Heizmann

We could ask nicely that they do it.

15:36 - 15:38

Ann Marie Heizmann

So, yeah.

15:38 - 15:42

Robert Seem

There's nothing we can do about the political signs that I'm aware of.

15:42 - 15:43

Robert Seem

And I could.

15:43 - 15:49

Robert Seem

Maybe the initial question that was raised with them prompted them to add more signs.

15:50 - 15:52

Ann Marie Heizmann

Yeah, Fortunately, yes.

15:52 - 16:00

Ann Marie Heizmann

It looks like that's what happened, Which, it makes me very unhappy because I know, I thought they were going to be reasonable.

16:00 - 16:01

Ann Marie Heizmann

And now I'm not at all.

16:01 - 16:02

Ann Marie Heizmann

Happy to see that.

16:03 - 16:05

Robert Seem

Ok, yeah.

16:05 - 16:14

Ann Marie Heizmann

Make it worse, so, but I can call it, I can get the number for the state engineer from.

16:15 - 16:18

Ann Marie Heizmann

Oh, our county, our highway for yoga there.

16:19 - 16:23

Ann Marie Heizmann

I will give them a call and see if there's anything that they can do.

16:28 - 16:28

Donald Young, Esq.

Don?

16:31 - 16:35

Donald Young, Esq.

Attorney for the planning board, I know we had a chance to discuss at least one of these items.

16:35 - 16:39

Donald Young, Esq.

And we did put together a notice of violation and send that out.

16:40 - 16:48

Donald Young, Esq.

And if you need any assistance falling through with that one, or these other ones after, you have time to track down some of that information.

16:50 - 16:52

Donald Young, Esq.

Feel free to let me know I'm happy to dig in with you, OK?

16:53 - 16:54

Ann Marie Heizmann

Oh, thank you.

16:54 - 17:02

Ann Marie Heizmann

I'm sure I've gotten a job because I'm from what I'm hearing the first property that had issues with the rabies certificates of the dogs.

17:02 - 17:04

Ann Marie Heizmann

They just keep not showing up to court.

17:06 - 17:07

Ann Marie Heizmann

Oh my god.

17:07 - 17:14

Ann Marie Heizmann

Failing because this is another Amish family around the corner that, more than likely, he's just going to ignore the letter that we sent.

17:15 - 17:19

Ann Marie Heizmann

So I'm thinking we will probably have to go to our next steps though.

17:19 - 17:20

Donald Young, Esq.

Ok, let me know.

17:22 - 17:24

Ann Marie Heizmann

Question while you're here, Dan.

17:25 - 17:25

Donald Young, Esq.

Yeah.

17:26 - 17:32

Ann Marie Heizmann

So that's the issue with the other one that has the rabies certificates.

17:33 - 17:48

Ann Marie Heizmann

If they can get him to come to court, they were sort of wondering which tell you their town attorney there, because the use is something that would only go through the planning board.

17:48 - 17:51

Ann Marie Heizmann

They weren't really sure which attorney they need to have there.

17:52 - 17:53

Donald Young, Esq.

Yeah.

17:55 - 18:01

Donald Young, Esq.

Probably because I'm the planning and zoning attorney, I would think you'd want to use your town attorney for the prosecution.

18:02 - 18:02

Ann Marie Heizmann

Ok?

18:06 - 18:13

Donald Young, Esq.

But, like I said, we can talk more about that, if you want to, if you want to watch.

18:14 - 18:14

Ann Marie Heizmann

All right.

18:15 - 18:15

Donald Young, Esq.

Definitely about.

18:15 - 18:16

Ann Marie Heizmann

When you talk about that.

18:25 - 18:29

Ann Marie Heizmann

Ok, any other questions or concerns that I don't know about?

18:31 - 18:34

Robert Seem

Continuing on the candles with me.

18:36 - 18:37

Robert Seem

This is Brian Vision.

18:39 - 18:39

Robert Seem

Kendall on.

18:40 - 18:40

Robert Seem

Yeah.

18:43 - 18:49

Robert Seem

At what point do you think you'll be actually applying for permits?

18:50 - 18:52

Ann Marie Heizmann

I don't know if he ever will be.

18:52 - 18:55

Ann Marie Heizmann

I don't think he's play, again to the point of having nine, does that abraded?

18:56 - 18:58

Ann Marie Heizmann

I don't think he thinks he's, He's gonna get that big.

18:59 - 19:04

Ann Marie Heizmann

So he has two dogs now that could breed and he died and breeding them yet.

19:04 - 19:15

Ann Marie Heizmann

So he's still, I said that whole point process where he has the dogs that are getting sent out to different places around the country with professionals who show them beforehand.

19:16 - 19:22

Ann Marie Heizmann

So he's getting all the credentials, and he really doesn't know if, even when they start breaking.

19:26 - 19:29

Ann Marie Heizmann

So he's really not sure about it.

19:30 - 19:30

Ann Marie Heizmann

Yeah.

19:30 - 19:36

Ann Marie Heizmann

So I don't think there's any timeline, at this point, where they'll have nine dogs, but they know the requirements.

19:36 - 19:39

Ann Marie Heizmann

So they know if they do get that, they know what they have to do.

19:40 - 19:41

Ann Marie Heizmann

And they're more than welcome to do it.

19:42 - 19:42

Ann Marie Heizmann

So, All.

19:42 - 19:43

Robert Seem

Right.

19:46 - 19:59

Robert Seem

One other thing I wanted to bring up, might you be interested in this, and, perhaps, down, as well, at the town board meeting, there was some discussion about the lights and Magee Corners.

20:00 - 20:03

Robert Seem

No, we now have three sets of traffic signals.

20:04 - 20:22

Robert Seem

Yeah, I know I've been through there on weekends when the traffic really starts acting out in the corner, light trapping totally up to the throughway like they're currently not sequenced, and the middle one is temporary.

20:23 - 20:26

Robert Seem

Yeah, I don't know what was it?

20:27 - 20:28

Robert Seem

I'm going to try to do something about that.

20:29 - 20:33

Robert Seem

Dod, or what sort of resolution might they be considering?

20:35 - 20:58

Mike Simon

I know that I spoke with Supervisor Party as well as the Design Engineer on Friday, because I happened to go through there in about two o'clock on Friday, coming from Clyde and all the lights were backed up.

20:59 - 21:09

Mike Simon

So ARR, the contact, that I've had it in D O T, for the past 8, 9 years.

21:10 - 21:21

Mike Simon

She's no longer with the D O T Her name is Elizabeth ..., but Beth was directed to, whomever is the resident engineer.

21:22 - 21:25

Mike Simon

And I think he got back to her.

21:25 - 21:27

Mike Simon

And at this point.

21:28 - 21:28

Robert Seem

I.

21:28 - 21:36

Mike Simon

Spoke to the design engineer the poles and the lights that are love's are temporary.

21:38 - 21:45

Mike Simon

And I'd been, you know, and it's certainly not putting it on the design engineer, It's not not his know who's doing or has fall.

21:47 - 21:59

Mike Simon

But once the permanent poles are in the permanent lighting, and the turn lane that goes into loves, I think there will be some relief.

22:00 - 22:05

Mike Simon

And I certainly am not in a position to predict how much relief will be there.

22:06 - 22:17

Mike Simon

But I also know that there was not a whole lot of right turns going into love, at least in the short period that I was there observing.

22:17 - 22:26

Mike Simon

So I'm not blaming the backup on the lack of the turn lane, as much as maybe the synchronization of the lights.

22:26 - 22:32

Mike Simon

So, this is the second time I reached out to the design engineer, Tim Freitag.

22:32 - 22:37

Mike Simon

And, as you folks know, Tim has always been very co-operative, very professional.

22:37 - 22:52

Mike Simon

And he told me he would continue to, to reach back out to loves, letting them know that The Town S is concerned about, know, the situation, particularly with this.

22:52 - 22:56

Mike Simon

The seasonal influx that we see at this time of year.

22:56 - 23:03

Mike Simon

So, anne marie, I don't know if you had anything else to add, but that's, that's kinda where I'm at right now.

23:05 - 23:13

Ann Marie Heizmann

Does anyone have anything else, as, I know that it was discussed, the Supervisor Pro T had already made a couple of calls.

23:14 - 23:22

Ann Marie Heizmann

And I believe the highway superintendent also made a couple of calls, they had got the thing they had gotten told that it could be months before they come out to reveal the situation.

23:22 - 23:24

Ann Marie Heizmann

Which is the part, that was not good.

23:26 - 23:30

Ann Marie Heizmann

So, because they're waiting for that churn line, is my guess.

23:31 - 23:32

Mike Simon

Yeah, And I guess.

23:34 - 23:45

Mike Simon

If there's any No, Salus second, this whole thing, this really did not really have a whole lot to do with the town planning board or the town of tire.

23:45 - 23:45

Robert Seem

So.

23:45 - 23:57

Mike Simon

Much as these aren't permits were issued by New York State D O T, they're the ones that, you know, authorize this traffic report.

23:58 - 24:07

Mike Simon

And then the installation of the new lighting, Um, so, it's really on the D O T, and they're going to have to figure it out.

24:09 - 24:20

Mike Simon

I don't know that, um, it was backed up onto the on ramp when I was there Friday, or the off ramp, I should say, from the throughway.

24:21 - 24:31

Mike Simon

I don't know if the toll booths being removed, had any And then the insult to injury because people now aren't stopping at all.

24:32 - 24:32

Robert Seem

You.

24:32 - 24:34

Mike Simon

Just go right through.

24:34 - 24:36

Mike Simon

So it doesn't give any delay at all.

24:36 - 24:39

Mike Simon

Whereas before, it may have given a little bit of relief.

24:41 - 24:45

Mike Simon

That's all I have to report on that situation at this time.

24:47 - 24:48

Robert Seem

Ok, thanks, Mike.

24:49 - 24:49

Robert Seem

Yeah.

24:49 - 24:55

Robert Seem

Well, we'll see what happens this week: I won't go up over the floors weekend.

24:56 - 24:58

Robert Seem

I imagine there's going to be kind of been.

25:00 - 25:02

Robert Seem

All right, thank you.

25:07 - 25:07

Robert Seem

What else?

25:10 - 25:11

Robert Seem

Isn't it?

25:12 - 25:13

Robert Seem

Basically, it.

25:17 - 25:31

Robert Seem

I presented to the soundboard at their meeting, the fact that Larry has expressed interest in retiring or at least having some of his secretarial duties relieved.

25:31 - 25:53

Robert Seem

And, all right also indicated that perhaps it would be helpful if we might have some traditional part time, somebody to, to actually do the minutes, no records in minutes, get them to a point where they can be presented to the board.

25:54 - 25:56

Robert Seem

Perhaps other types of duties.

25:57 - 25:59

Robert Seem

I didn't ask specifically for that.

25:59 - 26:04

Robert Seem

I simply said, you know, we're, we're beginning to think about this.

26:04 - 26:15

Robert Seem

I also told them, sorry, thrown out the Opportunity a board member taking over the secretarial duties.

26:16 - 26:38

Robert Seem

And I've not heard back from anybody which is not surprising, and I may, at least, to, to keep things moving, I may come knocking at your doors at some point two, to see whether you might someone might be willing to take on at least for these duties.

26:39 - 26:48

Robert Seem

At this point, it remains unresolved And I'm not pressure to town Board force additional funding.

26:50 - 26:56

Robert Seem

Sport, but still maybe something in our future.

26:58 - 26:58

Robert Seem

Oh.

27:02 - 27:09

Robert Seem

I did circulate the Kindle Long, just so you had an opportunity to take a look at that as we will.

27:10 - 27:13

Robert Seem

So we have three candles prospects.

27:14 - 27:16

Robert Seem

It's a good document to have on hand.

27:16 - 27:18

Robert Seem

Should we get to that point?

27:19 - 27:21

Robert Seem

Yeah, is.

27:22 - 27:26

Robert Seem

I think it's, it's a relatively good law.

27:27 - 27:42

Robert Seem

Not overly intrusive, but still maintain some control, or Kindles, and specifically designed for what appears to be what we're facing right now where somebody comes in and tries to get under the wire.

27:43 - 27:47

Robert Seem

Start producing puppies because can make money, it's easy to do.

27:50 - 27:53

Robert Seem

The regulations, and we haven't, in particular.

27:56 - 27:57

Robert Seem

Good market regulations.

28:00 - 28:09

Robert Seem

You know, we have to come down in the state as well, Keep it document and think we may be coming back to that at some point.

28:12 - 28:18

Robert Seem

And since there's really no other new business, unless somebody has something they wanted to talk about.

28:24 - 28:27

Robert Seem

I think you're finding that things are picking up a little bit.

28:29 - 28:31

Robert Seem

Summer moves on.

28:31 - 28:33

Robert Seem

You know, I don't know if it will increase or not.

28:34 - 28:36

Ann Marie Heizmann

Yeah.

28:37 - 28:42

Ann Marie Heizmann

We've had a couple of phone calls actually, I didn't have one phone call.

28:42 - 28:56

Ann Marie Heizmann

So maybe somebody on this board might know the answer because it was a company that does basement waterproofing and they wanted to know if they needed a permit to go like door to door, trying to drum up business.

28:59 - 29:00

Robert Seem

Hmm, yeah.

29:01 - 29:04

Ann Marie Heizmann

We'd have a solicitation law entire.

29:05 - 29:09

Ann Marie Heizmann

I'm I meant to ask that when I was doing my report, because I don't know if we do.

29:12 - 29:14

Robert Seem

I don't think I can answer that question, either.

29:15 - 29:15

Ann Marie Heizmann

Oh.

29:16 - 29:17

Donald Young, Esq.

Yeah.

29:17 - 29:18

Donald Young, Esq.

I don't know offhand.

29:18 - 29:19

Ann Marie Heizmann

Ok.

29:19 - 29:19

Robert Seem

Yeah.

29:20 - 29:20

Robert Seem

Yeah.

29:20 - 29:29

Ann Marie Heizmann

So I Yeah, I call the back and said, know that I was fairly new to the position, that I did not know,

29:29 - 29:31

Ann Marie Heizmann

I was, I tried to find out if we had one for them.

29:33 - 29:34

Ann Marie Heizmann

So it's ever dry.

29:34 - 29:35

Ann Marie Heizmann

Basically, ever dry.

29:38 - 29:38

Ann Marie Heizmann

So I don't know.

29:39 - 29:40

Ann Marie Heizmann

Yeah.

29:41 - 29:42

Ann Marie Heizmann

I said, I hope we do.

29:42 - 29:44

Ann Marie Heizmann

Because I really don't want people going around knocking on my door.

29:45 - 29:45

Robert Seem

Yeah.

29:46 - 29:47

Robert Seem

Exactly.

29:48 - 29:54

Robert Seem

And that would be, I mean, it's nothing that would appear in the zoning laws, or would have to be a separate.

29:56 - 29:59

Robert Seem

I can't recall having one.

29:59 - 30:02

Ann Marie Heizmann

Ok, I don't think we usually pip.

30:02 - 30:13

Ann Marie Heizmann

I'm guessing that maybe they would just throw that out wide for our own area because I really think that they actually, look, this isn't like an area where you're going to, it's worth going door to door.

30:13 - 30:15

Ann Marie Heizmann

We are so far apart, right?

30:15 - 30:15

Ann Marie Heizmann

Yeah.

30:15 - 30:16

Ann Marie Heizmann

Right.

30:16 - 30:16

Robert Seem

I guess.

30:16 - 30:19

Ann Marie Heizmann

I probably won't actually end up coming along to visit us, but.

30:22 - 30:23

Robert Seem

Do communities have?

30:24 - 30:26

Robert Seem

So it was typically.

30:29 - 30:29

Donald Young, Esq.

I wouldn't.

30:31 - 30:35

Donald Young, Esq.

Some do, yeah, they have peddler and soliciting law laws in place, yes.

30:38 - 30:44

Ann Marie Heizmann

I say, I know the village vendor, like it has one, because they have run out of the size, you come into town, and it tells you they have one.

30:44 - 30:54

Ann Marie Heizmann

So, that's thing, I think there's places that have intend to have it posted, and we don't have that on the signs coming into our town, so I guess we might.

30:57 - 30:59

Robert Seem

Well, we'll wait for the complaints to come in.

31:00 - 31:03

Robert Seem

Yes, They respond.

31:03 - 31:04

Ann Marie Heizmann

Will probably get some of that.

31:04 - 31:06

Ann Marie Heizmann

They're just going out and trying to knock door to door.

31:08 - 31:11

Ann Marie Heizmann

Do you remember anything about solicitation law?

31:12 - 31:12

Larry Kesel

No.

31:13 - 31:16

Ann Marie Heizmann

I know you've got like every town board meeting for a year.

31:16 - 31:19

Ann Marie Heizmann

So I think if there was one, you would have been there for it.

31:20 - 31:22

Larry Kesel

Oh, I don't know, Wait.

31:23 - 31:30

Larry Kesel

The folks that come with Bibles had a young man, went into my daughter's, Charles Sturt.

31:30 - 31:49

Larry Kesel

We really laughed about because after she said she wasn't interested in the free sample of shampoo or so study, asked about the wild boar and the shield across the street from her house was safe but not for him to go back to us.

31:49 - 31:49

Larry Kesel

So.

31:52 - 31:52

Larry Kesel

Yeah.

31:53 - 31:53

Ann Marie Heizmann

Yes.

31:54 - 31:55

Ann Marie Heizmann

Yeah.

31:59 - 32:04

Robert Seem

Ok Larry, you have anything you want to talk about?

32:06 - 32:06

Robert Seem

Turning.

32:07 - 32:08

Robert Seem

Whatever.

32:09 - 32:11

Larry Kesel

My apology on the the minutes.

32:11 - 32:29

Larry Kesel

But I did put emphasis on the waiver, because I thought that was extremely important, because I'm concerned about, a number of years from now, one, somebody's gonna look at something to say, Wow, the skies abandoned the town for years is family.

32:29 - 32:33

Larry Kesel

And you guys let this go through and you wait the public hearing.

32:34 - 32:37

Larry Kesel

So, if it's overkill, I apologize.

32:37 - 32:41

Larry Kesel

But, I thought it was appropriate to put it in there.

32:41 - 32:51

Larry Kesel

And the follow up on the fact that was a lot of help on the resolution, And we did have it in the resolution a number of times.

32:51 - 32:53

Larry Kesel

And that's why I put that down to source, you know, hey, man.

32:56 - 32:57

Larry Kesel

We wash for that stuff.

32:57 - 33:05

Larry Kesel

I know that I should have all day off the first half for any report.

33:05 - 33:06

Larry Kesel

It's 90 minute in the works.

33:08 - 33:10

Larry Kesel

Rob is on vacation right now.

33:10 - 33:13

Larry Kesel

So he was talking to us from his trailer.

33:13 - 33:22

Larry Kesel

I'm sure that I'm hope to see him next week because I still owe him things from when he came on board.

33:22 - 33:28

Larry Kesel

I have not been able to catch up with them embarrassingly and it's right down the road from me.

33:28 - 33:38

Larry Kesel

We're going to try to get together next week, because, and I know you're not involved with this, but it's your predecessor, weisberg.

33:39 - 33:57

Larry Kesel

We've gotta get this training lined up for the sexual harassment and workplace violence, which is a state law, which the tire has to have for all of us and all the folks in this simple building, et cetera.

33:59 - 34:03

Larry Kesel

So, I was trying to those around dot net.

34:04 - 34:07

Larry Kesel

Rob seems to, he's already got part of.

34:09 - 34:10

Larry Kesel

His seat.

34:10 - 34:17

Larry Kesel

The one that told me that I didn't need a certified presenter or whatever the title was, I was given that that's all we needed.

34:18 - 34:20

Larry Kesel

Could be anybody, and you can do it.

34:20 - 34:21

Larry Kesel

I like Salt.

34:23 - 34:32

Larry Kesel

And I know there's nothing in your office that, no, there were no records other than the actual certifications.

34:32 - 34:33

Larry Kesel

But that is a state law.

34:33 - 34:38

Larry Kesel

So if it is general half years, go on now already My God.

34:40 - 34:40

Ann Marie Heizmann

Yeah.

34:40 - 34:41

Larry Kesel

Sure.

34:42 - 34:46

Ann Marie Heizmann

Supervise a protein, I thought maybe she said the county.

34:46 - 34:51

Ann Marie Heizmann

She had found someplace that we could do it and it was free, but then I don't think.

34:51 - 34:52

Larry Kesel

We ever.

34:52 - 34:58

Ann Marie Heizmann

Give out the rest of the information about it, the county that had it for us.

35:00 - 35:01

Larry Kesel

Yeah, Art.

35:01 - 35:07

Larry Kesel

Our town Craig, ended it off and handed out the certificates at all.

35:09 - 35:18

Larry Kesel

I'm trying to, but Rob seemed to know a lot of things about it in the beginning and he has already got sexual harassment, idyll away online.

35:19 - 35:26

Larry Kesel

And so I need to sit down with Rob, I'll find out, what do you spend doing?

35:26 - 35:37

Larry Kesel

So that's kinda the big part of planning board, and the Zoning Board of Appeals as mostly everybody goes by Murray now.

35:37 - 35:47

Larry Kesel

But I'm pretty sure everybody's all set for the year, 4, two hours, and then you get to two hours, which would be automatic.

35:48 - 35:48

Robert Seem

When the.

35:48 - 36:06

Larry Kesel

Town, either we set something up, and I know there's large screen TV in the boardroom, municipal buildings that we could probably use for some of the folks

that want to come there, that do not have access with a computer.

36:07 - 36:12

Larry Kesel

So, it's food for thought, but I'm going to ask, does start addressing that.

36:12 - 36:13

Larry Kesel

I did chat.

36:13 - 36:15

Larry Kesel

That's a little bit about it.

36:15 - 36:16

Larry Kesel

She was aware of it.

36:16 - 36:18

Larry Kesel

She was the one that also backed.

36:18 - 36:19

Larry Kesel

Up.

36:19 - 36:25

Larry Kesel

Robin said, No, you don't have to be certified to do that, OK, They do what I lied.

36:25 - 36:29

Larry Kesel

So, and Rob went out and found it jumped on.

36:31 - 36:32

Larry Kesel

Keep looking at it.

36:33 - 36:34

Larry Kesel

Oh.

36:34 - 36:35

Larry Kesel

Yeah.

36:35 - 36:36

Larry Kesel

All right.

36:36 - 36:36

Larry Kesel

Yeah.

36:37 - 36:38

Robert Seem

Ok.

36:39 - 36:39

Robert Seem

Thank you.

36:42 - 36:43

Robert Seem

I don't care in that.

36:44 - 36:49

Robert Seem

Send your readings for everybody tonight and remind you that they are still open until nine o'clock.

36:49 - 36:53

Robert Seem

So, if you haven't voted yet, you want to that time because we will finish proofs.

36:57 - 36:59

Robert Seem

We shall see you next month.

37:00 - 37:02

Robert Seem

So, thanks for joining in tonight.

37:03 - 37:07

Robert Seem

Have a great fourth of July and stay safe.

37:08 - 37:08

Robert Seem

Thanks.

37:08 - 37:08

Robert Seem

You.

37:08 - 37:09

Mike Simon

Thanks, everybody.

37:09 - 37:10

Mike Simon

Nice.

37:10 - 37:12

Mike Simon

Long weekend.
