Petitioners/Presentations:

Harriet Haynes, Seneca County Department of Planning and Community Development: The County is reviewing Ag District #6 this year. Ms. Haynes passed out maps pertaining to Ag District #6. This is a State Ag Program and not a local program. Any questions please feel free to reach out to her.

Kevin Lightfoote, North Seneca Ambulance Chief: Mr. Lightfoote gave a brief history of North Seneca Ambulance. They receive 3000 requests each year for transportation services and have a coverage area of 200 square miles. Their call distribution shows that most of their calls are from Waterloo and Seneca Falls. They currently have five ambulances and have two crews on from 7:00 a.m. – 11:00 p.m. and one crew on from 11:00 p.m. – 7:00 a.m. They have been able to operate off billing and donations up until now. Varick has contracted with them this year and is the first town to do so. Overall costs are increasing and they need to keep equipment up to date for patient care. Staff take on additional responsibilities to help fray costs but COVID has set the money problems to the forefront. They are looking for donations and/or a contract with the Town.
